

# INSIG • TRANSLATE

E: [Info@insig.ai](mailto:Info@insig.ai)  
W: [cb-mcp.insig.ai](https://cb-mcp.insig.ai)

**Language is no longer a barrier to extracting alpha-generating insights from Central Bank communications.**

Insig ingests central bank releases across **text, video and audio** from 60 Central Banks within minutes.

You can now view the source document in its **native language**, the English translation and **query for insights** directly in our MCP connector in Claude.

## Benefits

- ✓ Capture all commentary
- ✓ Compare live + past data
- ✓ Detect tone shifts, fast
- ✓ Maintain language nuance
- ✓ One database
- ✓ Source linked
- ✓ MCP access via Claude
- ✓ Query in your language

**60**
